

Observatory on Just Transition Agreements

Palermo, 23 October 2024

Jesús Cruces Aguilera
Alicia Martínez Poza

With the financial support
of the European Union

FUNDACIÓN
**PRIMERO
DE MAYO**

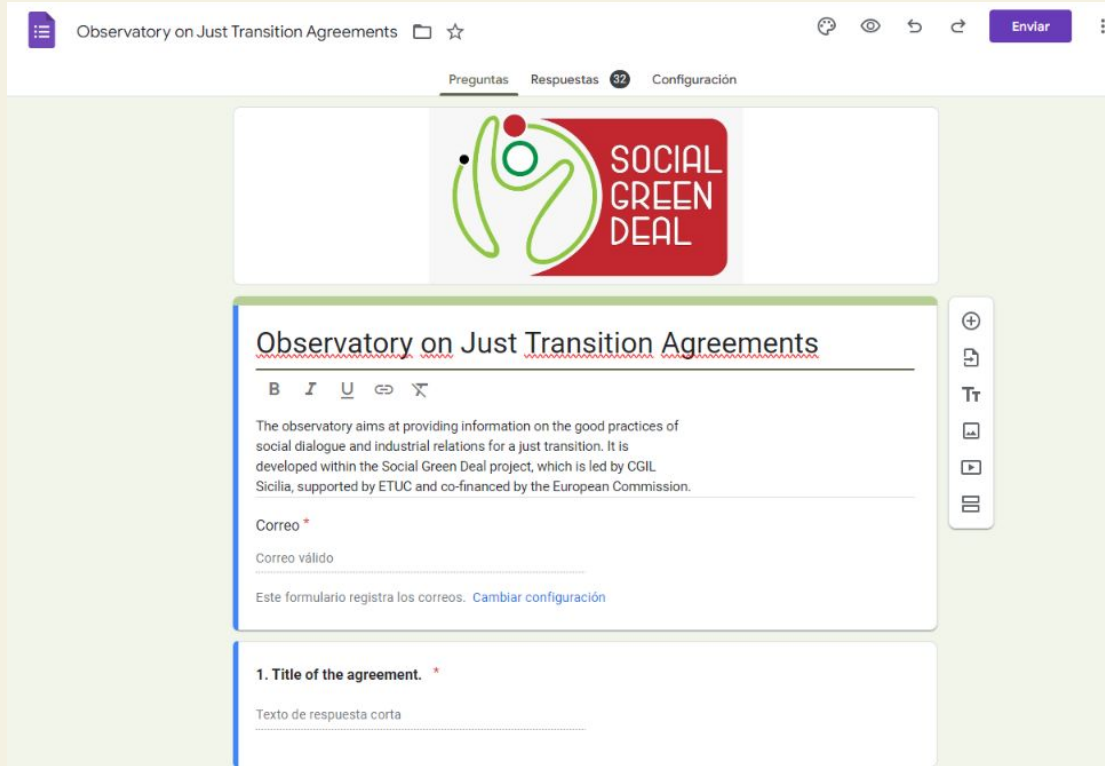

Observatory: main objectives

- To build a repository of Just Transition agreements in the different countries
- Through a practical and interactive digital tool fulfilled by the collaborators
- To gather basic and comparable information considering different items
 - Country
 - Level of application
 - Level of participation of social partners
 - Topics

Observatory: the tool

The image shows a Google Form interface. At the top, the title is "Observatory on Just Transition Agreements". Below the title, there are navigation tabs: "Preguntas", "Respuestas" (with a count of 32), and "Configuración". The main content area features a header image with the "SOCIAL GREEN DEAL" logo, which consists of a stylized green figure and the text "SOCIAL GREEN DEAL" on a red background. Below the header, the form title "Observatory on Just Transition Agreements" is displayed with a rich text editor toolbar. The description reads: "The observatory aims at providing information on the good practices of social dialogue and industrial relations for a just transition. It is developed within the Social Green Deal project, which is led by CGIL Sicilia, supported by ETUC and co-financed by the European Commission." Below the description is a required email field labeled "Correo *". A note states: "Este formulario registra los correos. [Cambiar configuración](#)". The first question is "1. Title of the agreement. *", which has a short answer text input field.
